

# POUR THE BOAR!

Flames/Ice Cubes report after Dec 18 games

## Have a Happy Christmas and Merry New Year!

Byes for Jan. 8 **Pearcey, Leitch, Suerich, Finkelstein**

An extra long break for the four teams above who won't be back for Wednesdays until Jan. 15!

Some of us (including yours truly) are in the Thursday night league Jan. 2!

Scoresheets were once again filled last night and I hope all your stockings will be too! Enjoy the break!

### A Division

Not much change in A division as **Stewart** keeps on rolling by rolling through **Shane** and still has **Mellor** nipping at his heels

**Shane** was caught by the non-curling side of Ice 5 which should be corrected substantially with another flood over Christmas time

### B Division

It's a case of the haves and have-nots in B division with four teams sporting a record of 11-2 and three teams with a record of 1-9.

**Moffatt** holds the flames with a tie and four wins and appears well on his way back to A..

**Laurier JV (Pearce)** will be returning from the holiday break with one goal. Get a win!.

### C Division

No flames to hand out in C but **Allen** won again and has a chance to start the fire in the new year.

No ice cubes to had out in C either! Another tight competitive round for the division

### D Division

**Dubrick** stretches the win streak to four before heading out for beer and wings! There is a way to enjoy the 5 p.m. games!

*Keep Christmas well!*
