Wednesday night playoffs 2026

1. Club championship is **double-knockout**. Club championship games have no time limit. Please keep your pace up.
2. Consolation champs are guaranteed three games.
3. There are no ties. In the **Club Championship ties will be broken with a full extra end** being played toward the glass.

4. In the **Consolation Championship: For March 11 and March 18**, we will continue to follow the regular time limit of :49 on the clock needed to start the next (hopefully eighth) end. **For March 11 and 18** it is draw to the button to break a tie. **For March 25 and April 1**, there will be no time limit on games. A HALF-END will be used to break a tie (one rock each). If the first rock thrown in the extra end comes to rest in the free guard zone, it can't be removed until the fourth rock of the end. (Second's rock of hammer team). For the final games April 8 all games will break ties with a FULL extra end.

Team from the CLUB CHAMPIONSHIP will be used to a double game on the second last night. This year this will happen with every bracket. Be prepared.

(Due to the above rules, please be patient with game starts. An extra end will definitely put us behind. But it's the playoffs! Enjoy another libation or snacks from the bar!)

PLAYOFF SPARES

1. There must be two original members of the team present to avoid a default.
2. **No one on a team that qualified for the club championship can spare for another team in the club championship.**
3. All spares in the playoffs must play on the front end. Lead or second.
4. For playoffs, I am saying no to non-members playing. No rentals!

NO COIN TOSS! TIME SAVER!

CLUB CHAMPIONSHIP: In the club championship the higher seed will have choice of hammer OR colour in the first end. EXCEPTION: The team qualifying for the men's championship game through A-side will have the choice of hammer AND colour for the final game regardless if the opponent from B-side was originally a higher seed.

Sheet 4 if you want to start monitoring the rocks.

CONSOLATION CHAMPIONSHIPS: The higher seed will have choice of hammer or colour in any game in the first end. This will continue throughout the playoffs.
