## Message from the President

Welcome back everyone! This year is going to be a very exciting one.

We have many new members; please make sure to welcome them to the Club when you meet them. Hard to believe the first week of curling is already upon us. It seems like such a short time ago that last year ended. Initial reviews on the ice this season have been very positive with lots of curl during our Summer League play. Our icemakers have been working diligently, and repairs are fully completed with HVAC and Dehumidifier.

We also welcome two new people to our family. Herbert Mitterboeck is our General Manager. He brings many years of experience in the hospitality business and other clubs. Al McKeag is our new ice assistant to help with our ice. Al came over from the Westmount Club and has *many years of experience in ice making. We look forward to him assisting Rob in keeping our ice to the quality we are seeing now!* Please welcome them both when you meet them at the club.

Have a great first week!

Cheers,  
Sean Osborn

## 2022 Six Pack Bonspiel

October 29th, 2022

### Looking for a fun bonspiel?

Check out the Six-Pack  
Funspiel hosted at the KW

Granite Club on October 29th, 2022! Back by popular demand and with an all-new theme -- Super Heroes!! - as voted by 2019's participants. So grab some friends, get into character and be prepared for a super fun time!

This is a bonspiel with a unique format - a six-person team that rotates through positions. Now, you may ask "A curling team only has four members. What do the extra people do?"

Well, those extra 2 people change each end due to the rotation through positions but those two people are "sitting" that end - the same as an inning in baseball. What those people do in that time is up to them.... Have we mentioned the fantastic bartender that will be there throughout the day?

The format is open, which means no limit on number of men or women on your team; we just want you to have fun!

Do you have friends that curl at other clubs? Make a team with them, or invite them to bring their own team. This unique format is the perfect time to introduce your friends to the sport of curling. Small clinics (run by seasoned curlers) will be provided half an hour before the first game of each draw to allow non-curlers a chance to learn the basics and have a few practice slides.

Some quick details:

- 1 Draw - 9:30 am
- Registration: 9:00 am
- Guaranteed 3 six end games
- Breakfast snacks, lunch, and dinner included in the \$330/team cost
- Prizes!

## KWGC Champions

Meet the Women's 2004 Provincial Masters Champions.

### *Memories of the Best Curling Experience from 2004 by Lorna Allen*

*This was the year our team won the Women's Provincial Masters Championship.*

*The team was Wendy Simpson-Skip, Ilse Hoffman-Third, Lorna Allen-Second, and Glad O'Hara-Lead. As a team, we hadn't played together so we didn't do too well in the Zone Competition. We made it to Regionals as a fill team! At regionals we won all our games. The Provincials were in Kingston where we tied for first place and won the play-off game against Niagara Falls who had won the event the previous year.*

*Jim Uhrig threw us a big party for the banner presentation and the club held a silent auction to help defray some of the cost of flying to Kelowna for the main event – representing Ontario and our club at the Nationals. We also had a silent Fairy Godmother who matched the club with a gift for our expenses.*

*Curling at the Nationals was such an honour and I will always be grateful to the club and our competitive skip, Wendy, for being on the team.*

*Lorna Allen*

Today Lorna and Ilse are active daytime curlers and organizers.

Glad retired from curling after the 2019-20 season and lives in Kitchener.

Wendy passed away from cancer Oct. 18, 2020. She began the 2019-20 season and curled, then watched her team for as long as possible.
